

To our valued guests,

After decades of proudly serving filmgoers in the Plano community, it is with much regret that the **Angelika Film Center in Plano has closed.**

For the last 20 years, it has been a great honor to present area audiences with not only the best in independent and specialty film, but also the best in global cinema.

A variety of economic challenges have made it impossible to sustain the cinema in Plano.

If you have any questions or concerns, please contact:

ContactUs@AngelikaFilmCenter.com

**We have truly appreciated your patronage.
Thank you!**
